Reasons for comment:

Comments: Dear Sirs,
I am appalled that consideration is being given that allows the developer not to submit a full Environmental Impact Assessment.
Such a development will have a profound effect on the environment with the diversity of nature in this rural area. I believe there will many objections to building on greenbelt land that will result in a devastating effect to the wild life, pollution and protection of flora.
I therefore request that the Council insist on a full Environmental Impact Assessment.
Sincerely,
[REDACTED]

Kind regards
