| Comments:            | <p>As a resident living near the proposed site with my family I would like to express my full support for the new mosque.</p> <p>We (my family ) will use the mosque regularly and will walk along with friends and neighbours.</p> <p>As for parking concerns it is already protected by controlled parking restrictions which prevent non -permit holders from using residential bays, for those who needs to drive there's a car park near by.</p> <p>The mosque will benefit the Muslim community as we have to pray outside on most Fridays because of shortage of space.</p> |
