Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The development is excessive,with insufficient infrastructure and on an already over used busy road. It will completely destroy the character of the village , increasing the size of the village to that of a small town and take valuable farm land out of use. The area is already over populated and the local amenities inadequate. A full environmental impact survey must be carried out on this green belt land.and local population opinions heard and respected.

Kind regards
