Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Huge impact on the environment caused by increased cars and traffic on local roads that are already very busy and congested Local school traffic and danger to children getting to and from school is very concerning Air pollution from fumes from extra vehicles using these roads Loss of habitat and wildlife species Loss of our farmland countryside and trees that are hundreds of years old Excessive noise fumes and plant machinery over many years of building We do not need these houses being built on green belt land!!

Kind regards
