Comments:	How can this happen?? There are enough problems already, with constant heavy flooding, so much traffic, the roads repeatedly dug up, no places in the schools or doctors surgery, the area cannot cope. The lanes in and out are always packed and you can't even get near the shops to park. What happens to ask the wildlife? Where do the foxes, badgers etc go?? This area is becoming a mess & I'm sick of queuing from the A2 to just enter the village. This plan will join villages and become a big town?????

Kind regards
