Comments Details

Commenter Type:	Consultee
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is a part of the green belt, which is important for our children and future generations. This is a village not a town we do not have the necessary infrastructure, hospitals, doctors, schools, transportation or shops to facilitate the number of houses to be built in this area. The road is too small in and out of the village and too dangerous cannot facilitate more traffic

Kind regards
