Reasons for comment:

Comments:	To: Planning Department, Gravesham Borough Council Subject: Objection to Planning Application [Insert Reference Number, e.g., 20251116] 1. Formal Statement: I am writing to strongly object to the proposed development on Norwood Lane. 2. Green Belt Harm: This site is situated within the Metropolitan Green Belt. The proposal represents inappropriate development which, by definition, is harmful. No "Very Special Circumstances" have been demonstrated to justify the loss of this open countryside. 3. Infrastructure Strain: The scale of the development (700+ units) is disproportionate to a village. The local road network, particularly Norwood Lane, is unsuitable for the resulting increase in traffic volume. Furthermore, local GP and school services are already overstretched. 4. Character of the Area: The development would destroy the rural character of Meopham and lead to the "suburbanisation" of a historic village. 5. Conclusion: I urge the Council to refuse this application in line with the Gravesham Local Plan.
