Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I concur with all previous objections. The issue I have raised previously, is that in view of so many cars on the road in this area people are now using pavements to park their cars. This problem makes it impossible for wheel chair users or mums with push chairs, to walk safely, having to negotiate a line of vehicles on the pavement and step onto a very busy road. The village cannot cope with an even larger population.

Kind regards
