Reasons for comment:	
Comments:	This is a brilliant use of space. I am now able to walk my 3 dogs in a safe environment. My doggies are scared of other dogs and with spaces like this my dogs are now able to run off the lead. They love this space and my children love coming without the fear of our dogs being attacked or fleeing from other dogs. I feel we need more of these dog parks in Gravesham and am really happy that we are able to use Higham Bark park - which is well organised, safe and well maintained.

Kind regards
