Reasons for comment:	
Comments:	I support this application because my dog is reactive to larger dogs, he is 10 years old and the field gives him the freedom to have a run/wander around without feeling stressed. This also helps other dogs having a normal walk without my dog barking at them. Fields like this one are important to the community, some children don't like dogs, some dogs don't like people, so having a field to hire privately is a blessing to many.

Kind regards
