Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The idea of additional houses in a community that is already stretched for resources is ridiculous. The numbers shown for spaces at the local GP's and the schools is untrue. Getting a doctors appointment is extremely hard already. The roads in the area are also too busy, especially outside of the school and the main roads through the village.

Kind regards
