Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>Wrotham Road in meopham is already busy enough with traffic! There's 3 schools along the road which cause enough congestion as it is! Facfor into that when there's problems on the A2 & M20 which forces traffic through this route as a diversion!</p> <p>The excess traffic during construction & there after will just cause gridlock & more problems!</p> <p>Not to mention the countless times this road has temporary lights for 1 reason or another! & then there's the strain on an already over stretched health centre, which quite frankly can't cope now & schools! This application needs to be stopped now before it's too late! Someone will die on this over stretched piece of road, it's madness!</p>

Kind regards
