Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object because it will be adjacent to a SEN school where pupils are highly sensitive to environmental factors including noise which will cause stress and sensory overload. The school was placed here originally in a calm environment. I also object that because Longfield road is very narrow and already hard to pass the parked cars especially during school start and finish times causing dangerous driving conditions and danger to pedestrians. Longfield road is already constantly in use by heavy vehicles going to the weigh bridge at green street green.

Kind regards
