Reasons for comment:	
Comments:	<p>This proposed development of 350 houses could mean another 700+ cars needing access into an already very busy A227 which during school hours is becoming dangerous to both pedestrians and motorists. The parade of shops is already an accident black spot especially with the inconsiderate and illegal parking. This is particularly dangerous during school start and finish times. The area of road adjacent to the George Inn is so narrow it creates a pinch point and large vehicles are unable to pass.</p> <p>The infrastructure of Meopham village is unable to cope, particularly doctors surgery and schools if more houses are built.</p>

Kind regards
