Reasons for comment:

Comments:	<p>This development is unnecessary and ludicrous. There has been a number of new developments in this area and you are wanting to add more to an already over populated and congested town. Meopham is a prestigious village and is known for its green beauty and history and you want to ruin it by building these hideous new builds. Madness that i am even writing this. I would like to add the following points that justify my objection:</p> <ol style="list-style-type: none">1. Water shortage - yearly the area faces the challenges of water shortages due to droughts and you want to add more homes to a problem that is only getting worse2. Congestion - more homes = more cars and no room for new roads3. Air pollution4. Noise pollution5. Reduction in property value6. The loss of habitat for wildlife7. The loss of Meopham's reputation of being a green village
