Reasons for comment:	
Comments:	The proposed planning of 120 dwellings on land adjacent to Longfield Road, on what is currently prime arable land. This will cause further congestion on an already busy junction with Wrotham Road. Also the construction will greatly impede on the children at Helen Allison school a SEN with children that the additional noise, and change in the landscape will greatly affect the children in a negative way. The GP clinic is already oversubscribed and struggling to provide an acceptable service.
