Reasons for comment:	
Comments:	<p>A227 is at capacity already Poor sight lines by Camer shops making it dangerous for school children and other pedestrians. Pollution due to even more cars on the roads that are in traffic jams! Will affect health of children and adults. Vehicles will be forced to small side roads with no footpaths so again children and other pedestrians will be in danger. Flooding is bad when it rains now so with more housing it will be even worse. The wildlife and environment will be changed affecting everyone in Meopham. GP is also at capacity and difficulty in getting appointments. Schools are over subscribed and there are no places for extra children.</p>
