Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to greenbelt land being used for a housing development. Greenbelt land is protected as greenbelt in order to safeguard the countryside, protect natural habitats and protect the unique village character of the local area. I live locally to the proposed development and the proposed development would hugely increase traffic in a detrimental way and would put pressure on the local GP practices that are already at capacity. I strongly object to this proposed development - greenbelt should not be used in this way. The countryside and greenbelt land must be protected.

Kind regards
