Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to planning application 20260207 land at Norwood Lane/Camer Road for 725 homes. The country lanes would not cope with the increase in traffic eg cars and HGVs The GP surgeries cannot take on more patients There would be major problems with flooding, sewage and water pressure. There may be a train station but the majority of people use cars to get around. There's an unreliable/insufficient bus service. Cycling isn't a reliable form of transport as it's dangerous for cyclists with the volumes, size and speed of traffic passing them and in some places the road becomes really narrow. Camer Road is unsuitable for HGVs due to weight on railway bridge and width so how can all the deliveries be made for materials during construction

Kind regards
