Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this proposal I have grown up and visit regularly my friends and family in Meopham and Istead rise The traffic from the A2 and Wrotham Road is so congested on occasions particularly around school hours The safety of children and those getting to work local businesses and shops will be hugely impacted on already existing traffic There will be long delays on these roads and the surroundings lanes causing air pollution and dust from the plant hire and building of the houses and roads There is no sufficient infrastructure Lack of gp registration and lack of school places both primary and secondary Impact on the local hospitals already stretched to breaking point and queues for parking to attend appointments Loss of habitat and impact on our local wildlife Stop using our green spaces Stop using our Green belt land Drainage and flooding issues have already raised concerns Use Bownfield land!!

Kind regards
