Reasons for comment:	
Comments:	It is disappointing that the council are even considering this application, Meopham is a lovely GREEN place to live, the land is used for farming to help grow crops for this country. Also this is used by a variety of wildlife and they will be driven away by destroying this land. The traffic in this area is already busy and especially when there are troubles on the A2 this is used as a cut through. With more houses here this will become worse. The infrastructure in the area is already stretched and the village can not cope with the extra thousands off people. Meopham has always been a desirable place to live and house prices reflect this, the residents will loose thousands of pounds in house price falls.

Kind regards
