Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My main objection is that the site is Greenbelt not Greybelt and should not be built on! It has a varied biodiversity landscape. Many woodland species would be eradicated! 2.Natural habitats would be diminished and ancient ecosystems disrupted, birds, mammals and habitats will be lost. Once built on cannot be retrieved. 3.Villages of Meopham, Sole Street, Cobham will be merged into one large area the making of a town. 4. There is not enough infrastructure to support this large expansion of homes, Doctors surgeries are both at capacity and can not provide additional places. 5. Traffic in the local area would double with the potential of a further 1,500 extra vehicles, also the surrounding country lanes cannot support this traffic type resulting in extreame congestion. 6. The extra traffic will result in an increase in air pollution. The above are my main objections.

Kind regards
