Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the proposals which will destroy the village landscape and quiet, open countryside character by building on greenbelt land. It was be a great shame to lose this existing greenspace which is a peaceful connection between Meopham and Sole Street. In the summer there are breeding skylarks present here, to lose the summer song which we can hear from calling birds would be a disgrace. We are already facing a biodiversity crisis and we do not want to see more houses and concrete smothering land that should be used for agriculture and which could have greater opportunities to enhance and protect biodiversity within the village.

Kind regards
