Reasons for comment:	
Comments:	I strongly object to the proposed development. I have two serious concerns: 1. The proposed development effectively joins Sole Street to Meopham, changing the essential character of the two villages and creating a ribbon style development. The villages have been separate entities since the Middle Ages, their separate identities should be respected and protected. 2. Medical facilities in Meopham do not have the capacity to cope with a large addition to the population. Meopham already has one of the worst Dr to resident ratios in Kent and the proposed development will make an already bad situation worse.

Kind regards
