Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to object to the planned proposal of building houses on the green belt land as we moved to this area as we enjoy the countryside with green spaces. We do not wish to live in an area that is built up which is the proposed plan by building this development which will join Meopham with Sole Street. These new residents will bring additional vehicles to the local roads, where there is already a high volume of cars & lorries along the main route through the village. The loss of the fields will add to the issue of drainage of the surface water along the roads. The water system can not support additional homes. There is a lack of infrastructure in the area to support any further intake of more residents in the village especially with doctors, hospitals & schools, etc.

Kind regards
