Dear Sir or Madam,

Discharge of Conditions 4 & 9 for St Joseph's Convent of Mercy, Gravesend (REF: 20241161)

Please find enclosed our submission for the discharge of conditions 4 & 9 for application 20241161.

We have attached the following documents:

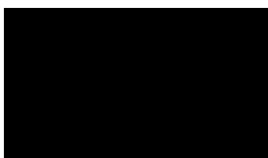

- LLD3629-ECO-LET-001-00-Badger - a letter outlining the results of a badger survey for the discharge of Condition 4
- LLD3629-ECO-REP-001-01-HMMP - our Habitat Management and Monitoring Plan for the discharge of Condition 9

As in our previous letter for the discharge of Condition 3, please be advised that since the submission of our original application, we have contacted the Post Office seeking a change of address for the now surplus buildings which are the application's focus.

For the purposes of this application we have again used the previous address ("St Joseph's Convent of Mercy, Hillside Drive"), however following redevelopment the buildings in question will be found under their new names (McAuley, Rydal, and Hillside), with the prior address referring only to the convent itself.

We trust the information is in order, please contact us if you need any additional information.

Yours Sincerely,

Kasan Goh

Director, Clay Architecture
