Reasons for comment:	
Comments:	We chose this area for peace and quiet neighbourhood... to bring out parents here in quiet and calm environment... this road is not meant for caravans and campers.. this caravan park should not be allowed .., how could this be possible in residential area... it is meant for people who invested to make this road better and modern .for cycling and walks ... I completely object any caravan park in neighbourhood... With rise in burglaries and break in pear tree lane area,recently , I am more frightened of more people's influx because of this land handed to people who are planning for this caravan site in future

Kind regards
