Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed development would put further pressure on local roads, healthcare, schools and public transport, which are already limited. It would also lead to the loss of valuable farmland, Green Belt and natural habitats. The scale of the development is inappropriate for the local area and could negatively affect the character and infrastructure of Istead Rise and surrounding communities.

Kind regards
