| Stance:              | Customer objects to the Planning Application   |
| Reasons for comment: |  |
| Comments:            | I strongly object to this development. It will cause dangerous road conditions on the access and surrounding routes particularly around school times. The road is already narrow with vehicles parked on either side of Longfield road narrowing it further. Heavy vehicles use this route which is a danger to the school children in particular, and if more traffic was added, this would cause accidents. The land is next to a SEN School and a primary School and the development would be very bad for the children particularly those with SEN needs who benefit from the quiet, calm environment. |

Kind regards
