Reasons for comment:	
Comments:	<p>I strongly object to this development. Together with the other proposed developments in Meopham , the infrastructure will be unable to cope, especially with the increase in traffic due to the the Lower Thames Crossing. Already Meopham roads often become gridlocked when faced with accidents on the M20, M2, or roadworks or diversions.</p> <p>There is a real strain already on GP surgery and NHS services and Meopham will not cope with an increased population.</p>

Kind regards
