Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This site is valuable farmland with a natural environment that must be preserved for ecology and sustainability. We need to do everything we can to prevent food imports. The traffic is already a very big problem in this area, and being near several schools and a shopping parade which is already an accident blackspot , access to the site will be very dangerous.

Kind regards
