Reasons for comment:	
Comments:	<p>I do not support the planning proposal for the houses to be built on the land in between Meopham and Sole street.</p> <p>This will conjoin 2 beautiful villages together ending up with a continued sprawl in our countryside. This is supposed to be the garden of Kent not the sprawl of suburban London. It will have a detrimental effect on all amenities, the roads are already packed around the villages, used as cut through s to the M20.</p> <p>The devastating effect it will have on our nature and animals that we share this space with, the flooding around the roads, more people for the healthcare system to deal with and children applying to the the already over populated schools. This will change the area making it a town and not a village which is already at capacity.</p>

Kind regards
