## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Houses on this site would lead to a significant amount of traffic which would negatively impact the surrounding roads which already suffer from jams, delays and accidents due to proximity to several Schools and a shopping parade. It is already an accident blackspot. It is next to a Conservation area on which it will cause a negative visual impact, and also will destroy much of the wildlife in the area including bats, badgers, birds and insects.

Kind regards
