Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I was upset to discover this Application on a Site that has not been released from the Greenbelt boundary. The small rural roads will not be able to cope with this development. The roads already become gridlocked when there are roadworks or incidents on nearby routes, and once the Lower Thames Crossing development starts things will become worse. The land is high grade farmland which is vital for ecology and sustainability.

Kind regards
