Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Lack of Social Infrastructure: The local community lacks sufficient capacity in schools, healthcare facilities (e.g., GP surgeries), and other public services to support the new homes/ Transport Impact: The development would lead to a significant increase in traffic congestion, lack of adequate public transport provision, or pose a risk to highway and pedestrian safety. The development represents an inappropriate encroachment into the countryside.
