| Comments: | <p>Another ridiculous idea for planning in a village that cannot cope with traffic, schools, doctors, shops, general infrastructure, as it is. The road A227, is already too narrow and cannot be widened, it's a cut through from the A2, M2 to he M20, M26, M25, A20. It passes 3 schools on its way through, at school time morning and afternoon children being dropped off and collected. This is just another way of rich companies and their investors making profit without a care for wildlife, history, natural beauty.</p> <p>Yes I do object very very much.</p> <p>You cannot believe how much.</p> <p>I've lived here for over 50 years now and there has been enough changes already.</p> <p>Yours</p> <p>[REDACTED]</p> |
