| Comments:            | <p>I strongly object to this proposal for the following reasons:</p> <p>There is an existing injunction on this land prior to this application and this injunction should be upheld.</p> <p>The complete disregard for the environment from these people and the damage to trees/wildlife and the natural beauty of the lane.</p> <p>The lane is a single track road that cannot accommodate the volume of traffic this site is producing. The entrances are also in a dangerous location on the lane with poor visibility</p> <p>The attitude of the travellers to local people - who have worked and saved hard to live in this area! They are aggressive and confrontational</p> <p>Their blatant breach and disregard for planning rules</p> |

Kind regards
