Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this application due to the travellers complete disregard for both the environment, the residents of the village, the environment surrounding the site and the rules already in place to protect this land. This lane does not have the capacity to accommodate this amount of people and is becoming increasingly dangerous. Tax paying, law abiding villagers are tired of having to defend itself from those trying to damage it

Kind regards
