Reasons for comment:

Comments:	The damage caused by these huge vehicles being brought in through a tiny lane causes huge disruption. The road has been blocked many times which is illegal. Many Trees have been cut down. There is no waste management, so where is the waste going? There is no water/electricity/waste water legally in place. The land is NOT meant for inhabiting. The lane is now congested and dangerous with many additional vehicles driving up. There are more suitable places, with no legal constraints in other places within Gravesham.
