Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this proposal. This land and the land that it is situated on does not have the Capacity to accommodate the equivalent of an additional village of people. The lane has become a no-go area due to aggressive behaviour and danger from the trees that they have damaged. We should be able to feel safe in our villages - we no longer do. This land should be protected.

Kind regards
