Reasons for comment:	
Comments:	Developers have fallen like vultures on the prospect of removing the constraint of building on the green belt. This application is one of four that has been submitted recently. The number of people in Meopham at present is 4349. This plan proposes to add another 3223 persons to the number of people in living in Meopham or more correctly Meopham North or Hook Green as it is known. Who on earth thought this was a good idea and that people would welcome it with open arms. 75% more people to a village with 1 doctors surgery and a bus every 2 hours. Surely even the council can do the maths. It doesn't add up!

Kind regards
