Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I strongly object to this application for the following reasons: The injunctions that are already in place on this land The "residents " complete disregard for the environment around them - causing untold damage to trees and hedgerow and wildlife. Sole street residents have also been subjected to aggressive and frightening behaviour. The residents complete disregard of planning rules and regulations The lane is ill equipped to cope with the volume of traffic the new site(s) are creating.
