Reasons for comment:	
Comments:	Destroying green belt and character. Pollution close to schools Bio diversity and wildlife impact - destroying homes badgers (recorded badger sett) - (protection of badgers act 1992) No infrastructure to support 350 new houses. School places, dr/medical centre full, - pressure on local facilities. Drainage and flood risk Highways and traffic capacity and road safety (impacted country lanes) Together with other applications in Meopham and surrounding areas causing mergance of rural villages into suburbs!!

Kind regards
