Reasons for comment:	
Comments:	<ul style="list-style-type: none"><li>- This is farmland, and has been ever since I can remember [REDACTED] Lose this and forever lose food production from this site.</li><li>- Longfield Road is already highly congested (and I would argue dangerously) during school drop off and pick up times. The increase in traffic and footfall would lead to traffic paralysis at the junction with the A227 and surrounding roads.</li><li>- The Helen Allison school for special needs children which is adjacent to the proposed development would be detrimentally impacted with a knock-on effect on the children's well-being.</li></ul>

Kind regards
