Reasons for comment:	
Comments:	<p>The B260 Longfield road is a very busy road. It is a very difficult junction to pull out of. The road is narrow and congested due to passing parked vehicles. The roads off the B260 are either single car width or residential. The road system will not cope with any increase in traffic.</p> <p>There is already an issue with not enough school places, or doctors appointments.</p> <p>It is very difficult to access the parade of shops already without the potential increase</p>

Kind regards
