Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This is a greenfield site and should not be developed. It is a retrospective application. The work has already been undertaken contra to Planning law. No consideration to retaining current wildlife habitats on site. The flora/fauna on site has been damaged as well as locally within White Post Lane where several trees have had to be removed demonstrating access to the site down a narrow lane is insufficient. There is an injunction on this site preventing development. Insufficient local statutory connections such as drainage, water, gas, electricity. Lighting at night by bright lamps provides light pollution in a rural area. The development is not in keeping with the local environment.

Kind regards
