Reasons for comment:	
Comments:	<p>I have recently moved away from Meopham but I know this lovely agricultural land. It has been farmed for generations and is can not be considered anything other than productive green belt.</p> <p>The proposal will significantly increase traffic to the surrounding narrow country roads. The scheme also shows loss of hedgerows that will compromise the habitat of many small animals and birds.</p> <p>There are many brownfield sites in Gravesham that should be considered before this beautiful site is ruined for ever.</p>

Kind regards
