Reasons for comment:	
Comments:	<ol style="list-style-type: none">1. 120 houses would mean potentially 240 cars plus delivery and service vehicles, in addition to traffic already using Longfield Road.2. Longfield Road is extremely narrow and residents park their cars along it which greatly restricts the road, plus the road is highly congested during school start and finish times.3. Dangerous access onto junction of Longfield Road and A227. This junction is hazardous for all road users and pedestrians, and would become very dangerous if more cars from the proposed development were to be added.

Kind regards
