Reasons for comment:

Comments:	<p>I've seen a copy of the letter from the council regarding No. 19 The Fairway, proposed children's care home.</p> <p>I very strongly object to this proposal. This just cannot be a suitable location. This will certainly add to disruption to the road with additional visiting traffic, and maybe other problems related to this type of establishment.</p> <p>Parking in this road is terrible, so add to that the 8 staff parking, it would become intolerable.</p> <p>I live at the lower end, so unsuitable for off road parking because of the house elevation above road level. I have an awful job parking at times; made far worse by St. George's school staff or pupils using this end of the road as an overflow car park. At times I've had to park in other roads.</p> <p>I'm disgusted that the council did not contact all Fairway residents; just a few very near to the property.</p>
