Reasons for comment:	
Comments:	This is going to be a fast food outlet next to a beautiful local park. Which is a safe haven for children of all ages. The proposed fast food outlet will bring extra litter, anti social behaviour and extra traffic/fumes to an already over populated and congested area. This is slap bang in the middle of housing estate and it is not a suitable area for a fast food outlet. There is also additional risk of obesity to our young children with a secondary school and 2 primary schools right on the door step. Our children should not have these temptations so close when obesity rates are increased and rising. This is not a viable location for the proposed use of the venue and I object for the health and wellbeing for our younger generations.

Kind regards
